Growing Together to Flourish in God's World

SEASONAL CELEBRATIONS

Again this year we will be having two church services. Please join us for our Holy Week service on Friday 4th April at 9.15am. This service will be led by our Juniors. We will then have our celebratory Easter service, led by the Infants, on Friday 25th April at 9.15am.

On Tuesday 22nd April we invite the Juniors to decorate a hard-boiled egg in a creative way. These can be brought into school on the day and one from each class will win a prize. We invite the Infants to make an Easter Bonnet for a school parade and, again, these can be brought in on the day. More prizes here too. These will be great activities to do over the holidays.

School Holidays

We break up for the end of term holidays tomorrow (Friday 4th April). School will re open on Tuesday 22nd April.

We hope you all have a safe and restful holiday.

Labelling

Over the holidays could we please ask you to check all of your child's uniform, P.E kit and anything else they bring into school to make sure that everything is labelled. Through general washing name labels can often fade and may need to be re labelled. Thank you.

Interim Reports

An interim report is being sent home with your child this week. This helps to keep you informed about how well your child is doing in school. We are also including a report on attendance. This is a report to keep you informed of your child's attendance and punctuality as the year progresses. We have a statutory requirement to report your child's attendance annually but doing it termly helps to reward good attendance and highlight any areas of concern. We hope you find this informative.

School Attendance

The School Attendance Improvement Service provides specialist support and advice to schools, families and pupils on all matters relating to attendance.

All Oldham schools have an Attendance Officer or Adviser who ensures consistency of service to schools in each ward.

Unacceptable reasons for absence

- Shopping
- Birthday treats and trips looking after others at home
- Non-urgent medical or dental appointments

Authorised absence

If your child is ill or unable to attend school for some reason, you need to contact the school by telephone and/or letter to inform them. The school will then "authorise" this absence.

Unauthorised absence

If your child has been away from school without any parental contact the school will contact you to ascertain the reason for your child's absence. Without a reason the absence will be recorded as "unauthorised" absence from school and it is unauthorised absence from school which carries with it the risk of prosecution.

The School Attendance Improvement Services can prosecute parents and issue penalty notices in cases of unauthorised absence.

Contact Details

Please all remember to update the office when you have a change in contact details. People often change mobile numbers and work telephone numbers and forget to update the school. Your contact details are used in emergencies – if we can't get hold of you if your child is unwell this causes unnecessary upset to your child. If you think some of your contact details may have changed please contact the office as soon as possible so we can check we have the correct details on file.
