## Growing Together to Flourish in God's World

**IMPORTANT**

### Inhalers

Please ensure that you have an in date inhaler in school if your child has asthma - even if they do not use it regularly they should still have one in school for emergencies.

### Parking around school

We have had a complaint from a local resident on Mellalieu Street regarding Parents/Carers of children from St Anne's parking illegally and blocking residents in their parking space by parking too close to their cars in the mornings and afternoons. We understand that the roads surrounding our school are very busy especially at the beginning and end of a school day. May we please ask that you are considerate of our neighbours and of other parents/carers when parking and always park legally and considerately. Thank you.

### Attendance

This weeks whole school attendance was 97.89% which was slightly lower than last weeks overall attendance at 98.13%.

This week the attendance league table goes as follows:

- 1<sup>st</sup> Turquoise class (Mr Bennett) with 99.39%
- 2<sup>nd</sup> Pink class (Miss Dunn) with 99.37%
- 3<sup>rd</sup> Orange class (Mr Gooding) with 99.31%

Thank you to everyone that helped us to achieve these fantastic attendance results.

### Parentmail

Please be reminded that if you change your mobile number or email address you will need to change the details on Parentmail by logging into your account and changing the details in the My account option. Unfortunately school are unable to amend these details for you. If you haven't signed up for Parentmail and would like to start receiving news letters, notifications of school events and clubs etc. by email and text then please contact the office who will be able to provide you with details on how to register.

### Mrs Hayman

We are pleased to announce that Mrs Hayman has given birth to a healthy baby boy!!! We wish Mr and Mrs Hayman well and join them in their celebrations of their new arrival.

### Settling in survey

We are taking part in the National Benchmarking project based on the "Settling In" survey. We ask and encourage parents and carers of St Anne's pupils to take the online survey using the web link below:

<https://perspective.angelsolutions.co.uk/diagnostics/Survey.aspx?link=312E8B2D-8D2A-4CA5-94B9-5636ACE2372D>

The survey will be available until Friday 21st November, after which the data will be collated from all of the survey responses from all schools together, to give some benchmarking data to schools.

The link is available :

- on our school website
- Emailed by parent mail
- We can Text the link to the mobile phones of the parents on request
- Twitter

Thank you in advance for taking the time to complete this survey which will provide valuable information to school.

## Medication Authorisation

If your child need medication during the school day it **MUST** be kept in the office along with a medication authorisation form that needs to be filled in by the parent/carer. Medication authorisation forms can be obtained from the office. Please **DO NOT** send **ANY** medication (prescription or non prescription – including throat sweets) into school in your child's bag.  
Thank you

## PE and swimming kits

Can we please remind all Parents/Carers that Indoor and Outdoor PE kits should be in school on the day that your child's class does PE. Any children that do not have a PE Kit in school are missing out as they are unable to participate in sporting activities. We try to encourage children to bring their PE kits in on the first day back after the holidays and then take it home when we break up for the next holiday. If your child gets muddy etc. they will be encouraged to bring their PE kit home to be washed.

Can we please also remind you that children in Yr 6 (Purple Class) and Yr5/6 (Turquoise Class) need their swimming kit in school **EVERY** Friday up until we break up for the Christmas holidays.

## Asthma Drop in Clinic

### DO YOU HAVE A QUESTION ABOUT ASTHMA?

Why not drop in to the Breath easy asthma clinic held here in school (meeting room near the school office) with School Nurse Christine

**Monday 29th September 2014**  
**8.30am-9.15am**

## PLANNED EVENTS
