### Performances

This week we have had a very busy week:

Key Stage 1 Nativity performances - All of the children gave a wonderful performance and all of their hard work and practice really paid off. This is part of our strong Christian tradition here at St Anne's. It has nearly been 100 years of St Anne's children celebrating the Nativity.

Nursery children had a Christmas sing along and then a coffee morning for Parents and Carers. This was a really positive event. Thanks to all the parents who came.

Some of the members of our School Choir visited Dryclough Manor and sang for the residents who were all overwhelmed with how well the choir sang.

The Choir also visited Sainsbury's in Oldham and sang to raise money for their chosen charity 'Heartstart'. The children were very professional and overcame technical difficulties and sang for the first 15 minutes without music!!! We had some very positive comments from members of the public. A big thank you to Mr Wheeler, Mrs Corbley, Mr and Mrs Greaves who provided the children with refreshments after the performance. Thank you to all of the parents/carers that came along to show their support. The Choir raised £111.24.

Green class visited Coin Controls in Royton to sing for employees at their Christmas dinner.

We have also had very positive feedback about how well the children performed and behaved.

We as a school community have very talented children and this week they have really had a chance to shine!
