WORLD THINKING DAY

On Monday 23rd February in celebration of World Thinking Day we invited all children that are a member of uniformed organisation to wear their uniform into school for the day.

World Thinking Day is a day of friendship and advocacy. We were very pleased with the amount of children who wore their uniforms with pride.

PARKING AND DRIVING COMPLAINTS

We have received complaints about the way that some parents and carers are driving and parking around school before and after school. We understand that there is limited space for parking but can we please ask that all parents and carers are courteous when parking and driving. Please consider parking a little further away from school, utilising the car park opposite St Anne's on Broadway or walking to school. Safety of children around our school is paramount. Please help us to ensure that all children have safe access into and out of school.

To help us keep our school head lice free please ensure that you check your child's hair each week.

Thank you.

Power2Resist

Unfortunately we have had to postpone the Power2Resist workshop for parents due to lack of numbers. We have rearranged the session for **Friday 17th April at 3.30pm** and extended our invitation to all Y5 and Y6 parents. We aware that other local schools have already held this session and it has been very positively received by parents. Invitations have gone out by letter through your child and Parentmail. Please return the invite to the office. Should you require another copy please see the office.

HELP!

Would you like to be registered for or help registering for Parentmail?

If you would like to start receiving text messages and emails from school but are unsure of how to go about registering, you can now speak to either Mrs Bardsley or Mrs Helliwell in the office who can provide you with some paperwork to complete and then we can register you on your behalf. Please either visit the office or ring on 0161 624 9885 to discuss to option.

Dear Parents/Carers,

Due to the success of the last questionnaire we sent via survey monkey, we have decided that we will do the majority of our surveys this way. This will enable us to gather your opinions and those of your child more frequently. Please follow the link below to answer just 4 short questions about homework.
