

Growing Together to Flourish in God's World

The whole school attendance for WE 12/05/17 was 97.17%. This means that this week's attendance was above our target of 96.5%. Well done. Thank you for your continued support.

This week the attendance league table is as follows:

Attending school late or leaving school during the day for appointments, not only disrupts the learning of the individual child but that of the other children in their class.

This week we have lost **1 1/2** hours learning to routine appointments, and **3.42** hours learning to late attendance. This is a fantastic improvement please help us to keep it up.

So far this year we have lost the equivalent of **43.16** days learning to routine appointments, **35.2** days learning to late attendance.

Please remember to log any absences either through the absence line 0161 624 9885 or via the parentmail app, make sure your child attends school on time every day and to make routine appointments outside of school hours or in the school holidays.

Time to Talk

In our collective worship each week we discuss and take time to think about different topics. These link with our Christian values. This week we talked about:

- people who are left out.

Talk: What could you do if you see someone being left out?

REQM Success

We are very pleased to share yet another fantastic achievement in our school. We were recently assessed by REQM (RE Quality Mark) who came to school to observe children's work and to speak to the children and staff about RE in our school. As a result we were awarded **Gold**: the highest standard.

The children said:

"RE in this school is awesome." (Y4 boy)

"There have been questions about different faiths that I haven't understood, but now that I have had the chance to ask questions I have a deeper understanding of faith and religions." (Y5 girl)

"RE makes the world a better place. It stops us falling out!" (Y3 boy)

The assessor described our school, and Mrs Evans (our RE Leader), as:

"...a vibrant C of E Primary school where RE is valued by all stakeholders including parents, staff and governors. The coordinator is passionate about quality RE and is well supported by a dedicated and committed senior team. RE is seen as being at the heart of the school and is a core priority in the school improvement plan. A key aim of this plan is to empower children, giving them opportunity to participate, take ownership of their learning and give them a real voice in evaluating and planning activities."

RE is a key part of what we offer as an outstanding Church of England Primary School and we thank you all again for your support in making our school so brilliant!

**Did you know ... just registering your child for Free School Meals means that the school gets extra money?
Register now to make sure we don't miss out**

Currently school meals cost **£10.50** per week and we offer a wide range of choices which provide a healthy meal for the children.

Universal free school meals

From September 2014, all children in reception, year 1 and year 2 in state-funded schools in England are eligible for free school meals.

Do you qualify?

You can apply for free school meals if:

1) Your child attends a school maintained by a local education authority and you and your child live in the Oldham borough. (If you do not live in Oldham and your child attends a local authority maintained school in Oldham please contact your local council for advice).

2) You receive any of the following:

- Income Support (IS)
- Income-based Jobseekers Allowance (IBJSA)
- An income-related employment and support allowance
- Support under part VI of the Immigration and Asylum Act 1999
- Child Tax Credit (provided you are not entitled to Working Tax Credit) and have an annual income (as assessed by Her Majesty's Revenue and Customs) that does not exceed the current year's level
- The Guarantee element of State Pension Credit
- Working Tax Credit during the four-week period immediately after your employment finished, or after you start to work less than 16 hours per week.

Additionally:

You, as the parent or guardian, must Receive Child Benefit for the child you are responsible for.

Children who receive IS or IBJSA in their own right are also entitled to receive free school meals.

Children who receive "education suitable for children who have not attained compulsory school age" will still need to satisfy the additional requirement of "receiving education both before and after the lunch period", before being eligible to receive free school meals.

If your or your child's circumstances change free school meals may be withdrawn, the most common reasons include:

- The parent or guardian ceases to receive a qualifying benefit
- The child leaves school
- The family move out of the borough
- The child goes onto packed lunches (long term)
- The child is absent from school for a long period of time

All changes of circumstance must be reported by the claimant (schools can also report changes of circumstance).

All your school communications in one place

Parentmail

Since 1st April 2017 we are now cashless, this means that we no longer take cash payments or cheque payments through the school office. All payments for dinner money, school disco, Secret Santa/Mother's day/Father's Day, donations for school trips/pantomimes etc will need to be paid for through Parentmail or at a Paypoint store. This is possible when Parentmail can generate a barcode to pay at a Paypoint store.

We also use Parentmail for electronic permission for such things as school trips, registering for after school clubs and booking appointments for Parents' Evening - so it is well worth registering.

If you are not currently registered for Parentmail and need registration details, or if you need another family member to register (i.e. Spouse/Grandparents etc) or have any questions then please do not hesitate to contact the school office who will be happy to help.

Term Time Holidays

In September 2013 new legislation on school attendance came into force. This was to ensure that all pupils attend school regularly and to challenge the expectation that 10 days can be authorised for term time holidays. The amendment to the law stated that 'if children are taken away for a two week holiday every year and have an average number of days off for sickness and appointments, then by the time they leave school at sixteen they will have missed a year of school'. This is obviously detrimental to a child's academic achievement. Good attendance ensures children benefit from education and achieve their full potential. At St Anne's we do not authorised term time holidays for legal aged school children. In accordance with the Local Authority Attendance Policy, school will refer for a Fixed Penalty Notice fine for unauthorised holidays of 5 days or more.

Since September 2013 Medical appointments count as an authorised absence **when medical evidence is provided** (if no medical evidence is provided they will be marked as unauthorised absence) Medical appointments during school time mean that your child will not receive the 100% attendance award.

There is no entitlement for parents to take children out of school for term time holidays.

From September 2013 in line with the law we do not authorise term time holidays.

Requests may still be made for an absence in 'exceptional circumstances' and these will continue to be assessed 'case by case' by our Governing Body.
