Growing Together to Flourish in God's World

Cheeky Monkey Challenge

So far we have raised an amazing £2008.24 for Children with Cancer UK and we have had reports that there is still more to come in!!! This is an amazing achievement and we truly thank you for your generosity and support.

On the day of the Cheeky Monkey Challenge Turquoise class helped as sports leaders to co-ordinate the events and really showed how mature they are. We would also like to say a big thank you to Miss Gough for organising the event. Also to Tracy Ratcliffe (Governor) and Chris from Teaching Personnel for coming along on the day to help support the running of the day.

Teaching Personnel also made a generous donation to our fundraising efforts.

Visit from Bishop Mark

On Wednesday 24th May the Right Reverend Mark Davies, Bishop of Middleton, joined us to present our 'Outstanding' certificate from our recent SIAMS inspection (Statutory Inspection of Anglican and Methodist Schools).

Whilst visiting us, Bishop Mark also blessed our newly created prayer garden. This was designed by our Junior Faith Leaders (JFL) as a space to reflect and pray. The children took a central role in the service saying prayers and explaining what each part of the garden represented. This was an occasion also marked with sadness at the loss of Alison Howe and Lisa Lees: past parents of the school and central members of the St Anne's community. Prayers were also said for them and their families.

Time to Talk

In our collective worship each week we discuss and take time to think about different topics. These link with our Christian values. This week we talked about:

- How to share in others' successes and achievements

Talk: What has someone you know achieved and how can you celebrate with them?

Attending school late or leaving school during the day for appointments, not only disrupts the learning of the individual child but that of the other children in their class.

This week we have lost **4.5** hours learning to routine appointments, and **4.42** hours learning to late attendance. This is a fantastic improvement please help us to keep it up.

So far this year we have lost the equivalent of **45.81** days learning to routine appointments, **37.15** days learning to late attendance.

Please remember to log any absences either through the absence line 0161 624 9885 or via the parentmail app, make sure your child attends school on time every day and to make routine appointments outside of school hours or in the school holidays.
