

Growing Together to Flourish in God's World

Parents' Evening

Our first Parents' Evening of the year will be held on Tuesday 17th October. The purpose of this is to discuss any issues that may be causing concern as your child has settled into his/her new class. Classteachers may contact you also. If you would like an appointment please contact your child's classteacher directly and he/she will get back to you.

PTA Disco & Non-Uniform Day

Friday 20th October 2017

Due to the success of our previous discos, we will be running our next disco in the same way so it's time to get your dancing shoes on!

Ticket sales for the disco are limited to first come, first served basis due to fire regulations. They are £1.50 and you can purchase these via Parentmail.

Tickets **must** be purchased before the disco. If you have any questions about making payments on Parentmail, please see the school office for help and support.

If your child wishes to come to the disco, they will be taken to the school hall by their teacher and then you will be able to collect your child from their **classroom door at 5.00pm**. If you have a child in Nursery, you can drop them off at the school office at **3.30pm** and collect them from **Reception class door at 5.00pm**.

As usual, there will be drinks, hotdogs, sweets and disco toys to buy. Please send your child's spending money in a **sealed, named** envelope. This will be kept safe by the class teacher. Please keep the amount to a **maximum of £2.50 for KS1 (Infants) and £5 for KS2 (Juniors)**. This will reduce the risk of children losing their change.

On the day, **all** children in school can come in Halloween themed non-uniform **with a £1 donation (this is separate to the disco ticket price)**. As this is a Halloween disco, we are asking that you respect the younger children and those children who may become easily scared. Scary masks, accessories which could be viewed as violent, and fake blood are not permitted. As this is a general school day, face paint is to be kept to a minimum and again, should not cause upset or offence.

Harvest Assembly

Thank you for the generosity of everyone that sent in donations for the Harvest Service. All donations were distributed amongst the elderly, vulnerable and local charities for the hungry and homeless.

Attendance

Education is a vital part of a child's development and as such the child's right to education should be protected. St Anne's CE (Aided) Primary School takes a strong line in this respect and relies on the support of parents to ensure that our attendance is as high as possible.

All pupils have a right to education. A child is of statutory school age between 5 and 16. Parents/carers have a legal responsibility to ensure their child attends regularly and punctually. If a child does not, parents/carers may be breaking the law.

If the school has concerns about a pupil being absent, or does not accept the explanation for an absence as genuine, the Headteacher or School Office staff will raise the matter with the Education Attendance Service.

At St Anne's we expect all children to have attendance that is classed as excellent. At St Anne's we use the following categories which are in line with the DFE guidelines:

Attendance recorded at 96.5% - Excellent

At St Anne's attendance at 96.5% or above is classed as regular attendance

Attendance recorded at 95.1-96.49% - Good

***Attendance recorded at 94.24-95.09% - Average**

***Attendance recorded at 94.23% and below –**

The DFE define attendance at 90% or below as Persistent Absence.

*Attendance categorised as 95.09% or below will require medical evidence to be provided to allow us to authorise the absence. Unauthorised absences and lates can lead to a penalty notice fine; which if unpaid could lead to prosecution.

What can you do to ensure your child is getting full access to the education they deserve?

- **Ensure your child attends school every single day possible** – Everyone feels a little under the weather from time to time and in most cases a little over the counter medication can help us through the day. Although we are not legal obliged to do so, at St Anne's we will administer over the counter medications such as Calpol, cough medicine, Ibuprofen etc to your child on your behalf. Just bring the medication in to the school office (please do not send it in with your child), fill out an authorisation form (available from the office and the school website) and we will sort the rest. If your child is really unwell during the day we will call you.

- **Make sure your child attends school on time every day** - Doors close at 9am promptly so please make sure you arrive in enough time for your child to enter school before this. If your child is late please ensure that you report to the main reception in the Juniors. This is to ensure your child's attendance has been recorded on the fire register. Continuous late attendance can have an adverse effect on your child's overall attendance and this can lead to a fixed term penalty notice fine.

Make all non-urgent appointments outside of school time or in the school holidays – Children should not be attending routine medical appointments (e.g. dentist, optician) during school time. For non-routine appointments, such as consultant appointments, we will record the absence as M (Medical) ONLY if we receive a copy of the appointment letter. Medical appointments do have an adverse affect on your child's attendance are a recorded as an absence.

- **Do not take your child on term time holidays** – A pupil's absence during term time can seriously disrupt their continuity of learning. Not only do they miss the teaching provided on the days they are away, they are also less prepared for subsequent lessons on their return. There is a consequent risk of underachievement. Parents / carers do not have a right to take their child out of school for a holiday during term time. As a result family holidays should be planned during the school holidays. As of September 2013 the School Governors agreed that, in line with the law, no holidays taken in term time would be authorised. In accordance with the Local Authority Attendance Policy, school will refer for a Fixed Penalty Notice fine for unauthorised holidays of 5 days or more. Taking holidays during term time leaves very little allowances for illness before a child's attendance becomes a major cause of concern.

The whole school attendance for this year was 97.23%. This means that this week's attendance was above our target of 96.5%. Well done. Thank you for your continued support.
