**Academic year**

**2018/19**

The three headings below enable schools to demonstrate how they are using the pupil premium to improve classroom pedagogy, provide targeted support and support whole school strategies.

### i. Quality of teaching for all

Desired outcome	Chosen action / approach	What is the evidence and rationale for this choice?	How will you ensure it is implemented well?	Staff lead	When will you review implementation?
Sustain improved provision for communication and language through the EYFS.	Specific interventions such as I Can Early Talk. Continuous provision adapted to allow time for quality modelling of communication and language.	EY staff to be aware of the PP children in their classes and identify these children for intervention. Early intervention will reduce the risk of these children not making progress in line with their peers.	SENCO to monitor interventions. PPG surgery meetings to discuss individual children and their needs. Progress meetings half termly will continue to have a specific focus on PPG children.	LW AM SE LM	June 2019
Sustain improved provision for PSED through the EYFS	Circle time and time to resources to be used to enhance the children's ability to discuss their needs. Continuous provision adapted to address this. Forest School to be used to provide opportunities for the children to develop in the areas of PSED, PD and CLLD.	EYs staff to be aware of the PP children in their classes and identify these children for intervention. Early intervention will reduce the risk of these children not making progress in line with their peers. Time to talk and clear modelling of expressing needs has been proven effective in other year groups. Forest School has proven to provide the children with experiences which support them physically, personally, socially and with language development.	SENCO to monitor interventions. PPG surgery meetings to discuss individual children and their needs. Progress meetings half termly will continue to have a specific focus on PPG children. Groups attending Forest Schools will be monitored during Pupil Progress meetings.	LW LM AM SE LB	June 2019

The attendance of PP children improves.	Topics and lessons will interest all children and especially PP children. They will include PASSION days to begin the topic and reflection days to reflect and review their learning. School Attendance Clerk to continue to rigorously monitor and address poor attendance. Forest Schools will continue.	When a child cares about the topics learned and their purpose this can be a hook to make them want to come to school. PASSION days and exciting activities throughout the term will be fun and the children will want to be part of them. Our PP children enjoy hands on activities and outdoor learning.	Topic plans will be shared with parents and will be engaging. PASSION days will be shared with the children and parents as something to look forward to. They will be in the diary on the website. Regular meetings with the attendance officer	SH DB LB All Staff	June 2019
