St Anne's Royton

Spring Term

8th March 2019

Weekly Newsletter

Dear Parents,

It has been our 'Cool to be kind' week this week. We have been kind by thinking about what we say and do when we are with our friends. The children have been extra helpful around the classroom and hopefully they have been helpful and kind at home too! On Wednesday afternoon we went to visit the Juniors and talked about kindness with them. Then on Thursday we made a chocolate crispy cake for the children in Lime class. They were very happy with our kind gesture.

We have learned about the story in the Bible of the Good Samaritan. It has helped us to understand that we should care for everyone even if they are not our friend.

Maths

We have been adding teens numbers with single numbers. We have been using the tens and ones to help to calculate these. The children have found this challenging but have persevered and they are making good progress.

English

We have read the first part of our class book 'Dogger' by Shirley Hughes. We have then used the information that we have read to build up what we know about the toy character Dogger. For example, we know that he is soft, brown, that he gets dirty sometimes and that he belongs to Dave. We have also written about our favourite toy and why we like it.

Spellings

Enclosed is this week's spelling homework sheet (Year 1 children only). This sheet has five words which your child will be asked to spell on the following Friday. It contains the Phonics sound we have focused on this week.

Next week

- In our Science work we will be testing some materials to see if they are waterproof and if they float or sink. We will test foil, plastic, cardboard, stone and paper.
- It is our class assembly on Wednesday 13th March, please join us in the school hall at 9:10.

Many thanks for your continued support.

If you have any concerns or worries, please do not hesitate to come and see me.

Mrs S Evans
