Weekly Newsletter

Dear Parents,

What Have We Been Doing This Week?

In English this week we have been studying paintings of the Great Fire of London and using them to generate noun phrases; which we will use in our writing. In Maths we continued to apply our learning on measure to problem solving. In History we put images in chronological order and begun to explore just how long ago the Great Fire of London was.

What Will We Be Doing Next Week?

Next week we will complete independent writing activities based upon the skills we have been learning in English. We will look in more detail at how the Great Fire of London started. We will also continue to learn about plants in Science.

It's Cool To Be Kind!

Thank you for the sponsor money which was donated to Andy's Man Club. It was also lovely to hear how the children had been kind to others over the week.

Parents Evening

It was great to see many of you last evening at parents evening. There are still some vacancies for Parents Evening this week. Please see the school office for appointments.

Talk Homework

Don't Worry! Matthew 6: 25-34

To realise that worry can be a tool to distinguish between what we change and we cannot.

Talk: What are you worried or anxious about?

Can you change this? Is there a solution?

Would talking to a friend about help?

Homework

The Year 2 children have their weekly maths and grammar homework. The year one children have maths and English homework to complete. Every child has a set of spellings to learn and a reading book.

Have a great weekend,

Mr. Gooding
