

Green Class  
St Anne's Royton

**Spring Term**

**15th March 2019**

## **Weekly Newsletter**

Dear Parents,

### **What Have We Been Doing This Week?**

This week in English we wrote descriptive sentences using paintings of the Great Fire of London to generate ideas. In Topic we learnt how the fire started. In Maths we have been using our Place Value skills to help us to Add and Subtract numbers with greater confidence. In R.E we looked at different examples of crucifixes and evaluated difference and similarities. In Science we began learning more about plants and trees.

### **What Will We Be Doing Next Week?**

Next week we will look at further problems to solve in Maths. In English we will begin to retell the story we are reading.

### **Rock Your Socks To School Day**

On Thursday 21<sup>st</sup> March it is Rock Your Socks to school day! On this day the children can wear a crazy pair of socks to school. In return for a £1 donation there are Gingerbread socks for the children to take home. All monies raised will be donated to DS West Pennie; a charity who support children and families that are affected by Down's Syndrome.

### **Talk Homework**

It's a family thing. Exodus, Numbers 12 & Micah 6:4 *To use other people's success to inspire us to greater things rather than create negative feelings of jealousy.*

Do you ever feel jealous about what someone else has achieved?

How can we replace those negative feelings with positive ones?

### **Homework**

The Year 2 children have their weekly maths and grammar homework. The year 1 children have some arithmetic problems to complete and a writing task (please encourage the children to think about capital letters and full stops). As next week in topic we will be learning more about the Great Fire of London could you also please read the 'Key Vocabulary' section of the Knowledge Organiser with your child.

Have a great weekend,

Mr. Gooding
