

Year 5/6  
St Anne's Royton

Autumn term

W.b 22<sup>nd</sup> October 2018

# Weekly Newsletter

Dear Parents,

**What a lovely week we have had in Turquoise Class! The children were all very sensible on Monday when the school was evacuated and acted in a mature way to make sure they were safe. Well done everyone! Turquoise class have worked very hard this week; they have been using written calculations to solve mutli-step problems and missing number problems, in English we have made predictions about our new book 'Journey to Jo'burg'.**

**PE:** The children will need their PE kits **WEDNESDAYS** and year 5 will need their swimming kits **FRIDAYS**. **Children should bring a jacket or jumper with their kit on Wednesdays in case our lesson is outside.**

**PE pumps must be worn for indoor lessons.**

## Homework

**Homework should be handed in on a FRIDAY and will be given out every FRIDAY.**

**Spelling tests will take place on Friday mornings.**

**English:** Write an autumn poem. I'd like the children to write a poem in a style of their choice; it could be acrostic, rhyming, figurative or whatever style they choose. These will be put on display along with their autumn leaves they made last half term.

**Maths:** Complete the missing number problems.

I have also given the children the option to take extra maths puzzles and problems home as well times tables.

They should also practice their times tables on this website: [www.timestables.me.uk](http://www.timestables.me.uk)

**Spellings – Circ:** circus, circle, circular and prefixes - uni, tri, semi, aqua.

Have a lovely weekend!

Miss Walker

Please see the back for information about Children in need...

## Children in need

We will be taking part in Children in Need this year and we hope to raise more money than ever.

Every year, BBC Radio Manchester organises a fundraising event to support the charity. This year, some presenters will each be walking a half marathon, starting and finishing at different Children in Need-funded projects in Greater Manchester.

Their task is to raise and collect money as they go, and they will also be broadcasting live from the route.

They will be passing our school on **Tuesday 13<sup>th</sup> November** and we have been asked if we would like to speak to presenter Mike Sweeney and pass on our generous donations to Children in Need.

On Tuesday morning we are asking children to bring in a minimum of £1 and a nicely decorated bun. During the morning the children will be able to eat their bun and 'have their cake and eat it'! Pudsey teddy bears are also warmly invited to attend! If you are making your own cakes, please follow the advice from the Food Standards Agency.

We aim to raise lots of money to hand over to BBC Radio Manchester. We will also be able to tell them how we are raising money in a live broadcast.

To raise more money for Children in Need we will be holding a non-uniform day on **Friday 16<sup>th</sup> November**. The theme is '*Do your thing!*' and we ask children to come to school as someone, or something, they would like to do in the future. Maybe they want to travel the world, be a scientist who finds a cure, go surfing, or be the winner of The Great British Bake Off. Whatever your thing is, do it!

We ask for a minimum donation of £1 on the day and we hope to make another generous donation to Children in Need.

Thanks for your support!
