Weekly Newsletter

Dear Parents,

This week the children have been enjoying singing a range of Nursery Rhymes and playing musical instruments whilst singing. We have been singing '5 Little Ducks', practising our counting skills and using our fingers to show how many ducks are left.

The children have been reading the big book, "Brown Bear, Brown Bear, What do you see?" We have been reading this together, using hand actions to help us remember the words. The children have been really good at this and joined in well with the words.

We have also made our own paper plate faces. The children painted their plate, choosing from a range of different skin colours, then had a choice of lots of objects to make their faces (buttons, ribbons, sequins, wool etc.). Have a look at them on our wall!

Homework:

Thank you to those parents who have sent in a family photo. If you haven't done this yet, please do so. The children have enjoyed sharing their picture with their friends and talking about who is in their family.

We have a 'WOW' wall in the Nursery which is to display pictures/photos/work which the children have done at home. Please help us to fill it by sending in anything which your child would like to share.

Please could you check that your child is able to put on their coat independently. If they are unable to do so, please practice this skill. It would help if children are able to pull their sleeves the right way round too.

If you have any concerns or questions regarding your child, please feel free to come and talk to us. If you would prefer to talk in private, please let us know and we will arrange a convenient time.

Thank you for your support,
Mrs Mitchell and Mrs Russell.
