Autumn Term 1  
Week 1  
06/09/2019

## **Dear Parents,**

Welcome to Year 6. We hope you have all had a lovely summer holiday. The children seem raring to go, which is a positive start to their time in year 6.

**This week we have been learning:** our new routines and expectations, looking at their strengths and areas for development and their end of year targets. (It is important that the children understand where they are now and what they need to do to achieve their potential). They all seem to have settled well, which is a pleasure to see.

There have been many changes to teacher assessment and testing over the past three years for year 6, which I intend to discuss at our information evening.

**Maths: Place value reasoning**
