

# GREEN CLASS

## Weekly Newsletter

Green Class  
St Anne's Royton

Autumn Term 1  
Week 2  
18/10/2016

Dear Parents,

### This week we have been learning:

In Maths this week our Year 1 children have been working on the part - whole model, we have been looking to see if we can use it to help add up and subtract numbers. We have also used it to see if we can find different ways of finding the same number. Our Year 2 children have been looking at greater than, less than and equal too, they have understood the concept of it, but get a bit confused with the way the signs go, we have also been looking at finding the answer to two calculations, then working out which answer is greater than, less than or equal too.

In English we have continued to look at the features of an information text and link it to what we are doing in topic 'Why did we take to the skies?' We have written the introduction and started to look at the subtitles, feel free to ask your child who we are writing about.

In topic we have looked into the history of Amelia Earhart.

### Homework (handed out on a Friday and due in the following Wednesday)

**English:** Can you write down one fact about The Wright Brothers, Amy Johnson and Amelia Earhart?

**Maths (Year 1):** At the bottom of the newsletter.

**Maths (Year 2):** Is in their homework bags.

**Spelling (Year 1):** look, say, cover, check, write spellings – was, is, his, I, has.

**Spelling (Year 2):** look, say, cover, check, write spellings – kind, mind, behind, child, children.

**Talk Homework:** Why do people move around the world? How can we help those in need?

### PE

PE will be on a **Wednesday** each week. Please ensure your child has the correct kit in school. The wearing of jewellery, earring and ear-studs (metal or plastic) are not be permitted on safety grounds during PE lessons and other sporting activities such as out of hours school learning or competitive fixtures.

### Class Website

To see what we will be learning about in class this year and other information such as PE kits etc, please visit our school website <http://www.stannesroyton.oldham.sch.uk/> and navigate towards the Green Class tab. Weekly newsletters are also archived here.

There is also a calendar of events on the website. If you do not have internet access or cannot use this website for any reason then please come and see me.

### Next week we will be learning:

**Maths (Year 1):** We will be moving into reading the additions (+) symbol and the subtraction symbol (-) in our maths, and using the part – whole method to help us find the answer.

**Maths (Year 2):** We will be looking at using the part – whole model and later in the week we will be starting money.

**English:** We will be continuing to write an information text about our topic and looking at the features of an information text and why they are important.

**Science:** Being able to investigate why certain materials are best suited for their purpose.

**RE:** Why was Jesus special?

**PSHE:** Zippy's friends.

If you have anything you need to speak to me about or any issues at all then please feel free to make an appointment with the office to come and see me any morning or night after school or give me a call at these times. Our door is always open so if you want to see the work your child has been doing then feel free to make an appointment to pop in.

Mr Cunningham, Mrs Slattery, Mrs Yaw and Mrs Russell

Year 1 Maths:
