Yellow Class
St Anne's Royton

Autumn Term 1
Week 7
18/10/2019

Dear Parents,

This week we have been learning:

In English we have been looking at a picture of Charlie and Lola going to school and we have been thinking of sentences to write about with them. We made a word bank to help us.

In Maths we have been learning to use the part, part whole model to partition numbers. For example, if 9 is the whole, 4 and 5 could be the part or 1 and 8 could be the part. I have been very impressed with how quickly the children have picked this up.

In Science we have been learning about our sense of touch. We took part in a game where the children had to close their eyes and say where their partner was touching them on their arm. We had lots of fun!

In Geography work we have been looking at our journeys to school and the things that we see on our way.

In RE we have been talking about the things we can do to share God's love and provision to people who are less fortunate than ourselves.

Homework (handed out on a Friday and due in the following Wednesday)

Maths: Please complete the enclosed sheet using the dice provided and the part, part, whole model.

Phonics: Spelling homework sheet (Year 1 children only). This sheet has five words which your child will be tested on next Friday. It also contains the Phonics sounds we have focused on this week. These words **will not** be tested in class. Spelling tests will be completed in the back of the homework books so you can see which words they got correct. Spelling tests will be every Friday.

Talk Homework: Have you ever fallen out with someone? What were the reasons? How did you make friends again?

PE

PE takes place on Wednesdays. PE kits consist of; Black shorts, red polo shirt and black pumps. Please leave PE kits in school during term time.
