Red Class
St Anne's Royton

Spring Term 1

10/01/2020

Dear Parents,

Welcome Back!

I hope that you have all had a wonderful Christmas time and enjoyed celebrating with friends and family. It has been fantastic catching up with all the amazing children in Red Class after their break and I'm very excited for our new Spring Term.

This week we have been learning:

Our new focus story is Supertato! We have been using story language and story maps to help us recall and retell the story. The Evil Pea has been causing mischief and we have been reading his letters each morning and solving the problems he has left out for us. In maths we have been exploring simple addition. We even made adding machines to help us!

Homework (handed out on a Friday and due in the following Wednesday)

Choose 2 or 3 of the suggested activities to share at home. Write a comment or place a photograph into your child's homework notebook to show us.

Next week we will be learning:

We will be helping Supertato to write a shopping list. We will sequence instructions to make jelly and write a wanted poster for the Evil Pea. We will be making jelly with different amounts of water and explore which one is hardest for Evil Pea to escape from. Each morning we will be practicing writing captions on our whiteboards. In maths we will be finding out more about 'one more' and 'one less'.

Phonics

Please practice to read the following captions:- a sad man cat in a hat pots and pans

****On 28th January at 2:20 we will be having a workshop for parents in the school hall. We will be demonstrating how we teach phonics and how you can support this at home. We really hope to see you then.****

Talk Homework

What are your goals? What would you like to achieve? What obstacles might get in your way? How would you overcome this?

Class Website

To see what we will be learning about in class this year and other information such as PE kits etc, please visit our school website <http://www.stannesroyton.oldham.sch.uk/> and navigate towards the Red Class tab. Weekly newsletters are also archived here. There is also a calendar of events on the website. If you do not have internet access or cannot use this website for any reason, then please come and see me.

If you have anything you need to speak to me about or any issues at all then please feel free to make an appointment with the office to come and see me any morning or night after school or give me a call at these times. Our door is always open so if you want to see the work your child has been doing then feel free to make an appointment to pop in.

Mrs Ratchford and Miss Ashton

P.S newsletter will be sent out each week and will include important dates and information.

Draw a face on a potato to make your own Supertato! Take Supertato around your house to help out with some of the jobs, such as tidying your bedroom and putting away the dishes. What other helpful things can he do?

Use building bricks to make a home for your Supertato. Think about how tall and wide it needs to be to fit Supertato inside.

When making or eating a meal, discuss which parts of the meal are vegetables and which are healthy for your body. You could also make a healthy snack such as fruit salad or a fruit smoothie.

When shopping in the supermarket, can you count the vegetables you put in your trolley? Can you spot any vegetables in the wrong place?

Talk about what your name would be if you were a superhero and what special powers you would have. You could draw a picture and bring it into school.

Make jelly and add in fruit such as blueberries. Does your jelly taste like peas, like the one in the story? What does your jelly taste like?
