Lime Class  
St Anne's Royton

Spring Term 1  
Week 1  
10/01/2020

## Dear Parents,

What a lovely first week back it has been. All the children have returned to school with positive attitudes and lots of smiles. Everyone has been working incredibly hard and we have got through a lot already. Could I please remind you that PE kits need to be in on a Monday. Also, if your child has asthma, they need their spray in school.

## This week we have been learning:

In English we have started our new class text: *The Promise* by Nicola Davies. The children have been predicting and writing descriptions using fronted adverbials and expanded noun phrases. In maths, we have started our multiplication and division block. In computing, we have started our algorithms and programming unit. In French, we have been learning body parts.

## Homework (handed out on a Friday and due in the following Wednesday)

**English:** put the homophones from spellings in to sentences to show you understand them

**Maths:** practise the 8 times tables for a test next week.

**Spelling:** homophones

**Talk Homework:** Do our choices have consequences? What do you need to do to achieve your goals?

## PE

PE will be on a Monday afternoon each week. Please ensure your child has the correct kit in school.
