Orange Class
St Anne's Royton

Spring Term 1
Week 3
24.01.2020

Dear Parents,

This week we have been learning:

We have been learning all about the ancient settlement of Skara Brae in our history work this week. We have been continuing with formal multiplication and division in maths and we have continued and finished our writing about hunting an eagle in Neolithic times at Skara Brae.

IMPORTANT REQUEST: for our forthcoming science investigation we are asking you to bring into school the bottom half of an empty plastic bottle – the 1.5 litre kind used for squash etc. Please bring this in for Friday 31st January – thank you!

Homework (handed out on a Friday and due in the following Wednesday)

This week's homework will be given out next week due to printer problems

Topic: Revise the different time periods and what they mean.

Maths: Complete these formal multiplications – different to last week's calculations but the same method as we are struggling with this in some cases.

Spelling: Creating negative meanings using the prefix mis.

English: Re-write the sentences including possessive apostrophes.

PE

PE will now take place on Friday afternoons. Please ensure your child has all the correct kit in school.
